PRODUCED BY CUTA IN PARTNERSHIP WITH VAZTIC

Dear CUTA family and friends,

We are excited to announce the 2020 CUTA International Virtual Poomsae Championship. Due to the global COVID-19 pandemic, many events had to be cancelled including our 2020 CA State Championships. This event is produced by CUTA in partnership with Vaztic, the company responsible for developing the competition platform for WT European and WT Oceania Online Poomsae Championships. Competition format is video upload with live judging. This is to ensure high quality video for viewing and judging regardless of the competitor's internet connection strength.

Key Highlights:

- Online Broadcast of Competition July 25, 26 and August 1, 2
- All Black Belt Divisions for Ages 8 & up
- Color Belt Divisions for Ages 8 & Up
- Para Divisions for Ages 12 & up
- Registration through EZ Events and managed by E-productions (CUTA sponsors).

Nothing online will compare to the experiencing events in-person, but we are confident that this event will provide excellent competition experiences for all participants. The added advantage of this virtual format is the ability for participation by all competitors regardless of their physical geographical location. We look forward to welcoming competitors not only from California but from around the world. We are #StrongerTogether. Thank you for your support.

Sincerely,

Grand Master Yong Choi

President

California Unified Taekwondo Association, CUTA
