INTERNATIONAL KEUMGANG SEMINAR

Every summer Taekwondoschool Keumgang provides a training seminar with the aim to get high level sparring teams to train, interact, and have fun together. Because of the Covid-19 situation and the Belgian government regulations, things will look a little different this time. First of all, we move the seminar to Budapest to work together with the brand new club F-158 lead by Hungarian National coaches Balazs Toth and Bence Galambos. Together with National youth coach of Belgium Jelle Vicca there will be high level classes from the 8-11 August, 2 sessions for each group a day.

The training hall is situated near the center of Budapest wich is a famous beautifull city to visit.

Participants will have to book an hotel. You can find the info at the end of this brochure. The hotels are at walking distance from the brand

new F-158 training center. Breakfast will be provided by the hotel and lunch will be served by the seminar organisation. Athletes can also join the test match day and team matches. In between the trainings, the organisation team will provide different kinds of nice activities like and outdoor swimming pool, boat trip through Budapest

We look forward to welcoming you!
